Event Planning

Dear All,

I want to express my heartfelt gratitude to all of you who have supported my work over the past 35 years. Your support alone motivates me to improve every year, raising the bar higher. Building upon our commitment to extension, we were thrilled to announce the evolution of our retail concept of Choix Wine Concept Store into an expansive events hall, also located at 54 Athinon Pireos Avenue, 18547, Piraeus. This hall is poised to become a dynamic venue where the convergence of fine tastes, artistic expressions, and cultural experiences will find a new dimension. As we embark on another year, I wish each and every one of you the very best. May 2024 bring creativity, liberation, and happiness in the best possible way for all.
